

ETHEL AND JAMES FLINN FOUNDATION
ANNOUNCES SEPTEMBER 2018 GRANTS
TOTALING \$2.4 MILLION

At its September 11, 2018 Board of Trustees meeting, the Foundation awarded 37 grants totaling \$2.4 million to mental health organizations to support the following program areas:

EVIDENCE-BASED PRACTICES - ADULTS: To advance best practice mental health treatment programs, nine (9) two-year grant awards totaling \$821,000 were awarded.

City Connect Detroit, Inc.: \$200,000 To enhance hospital-based Detroit Life Is Valuable Everyday (DLIVE) by implementing Trauma Focused-Cognitive Behavior Therapy (TF-CBT) into violence intervention model at Sinai-Grace Hospital.

Covenant Community Care, Inc.: \$200,000 To integrate behavioral health care into Michigan Avenue Clinic and Covenant Pregnancy Center.

Covenant House Michigan: \$200,000 To support residential facility for homeless young adults with co-occurring disorders (mental illness and substance abuse).

Detroit Wayne Mental Health Authority: \$200,000 To support a post-booking diversion program for persons with mental health disorders and misdemeanor offenses.

Freedom House Detroit: \$100,000 To hire a licensed care counselor to provide on-site psychotherapy and psychosocial treatment to survivors of torture/trauma and/or asylum seekers.

Henry Ford Health System: \$200,000 To develop and implement a comprehensive model of opioid use disorder treatment by integrating biweekly telepsychiatry/teletherapy and mobile health-based Cognitive-Behavioral Therapy with existing Medication-Assisted Treatment.

Henry Ford Health System: \$192,000 To enhance behavioral health integration across the 27 primary care sites of Henry Ford Health System with implementation of telemedicine.

Northeast Guidance Center: \$200,000 To expand Community and Police Partnership Advocacy (CAPPA) to better assist 1,500 homeless and people in psychotic crises.

Trinity Health-Michigan: \$150,000 To expand behavioral health services to older adults in Washtenaw County and provide support to primary care and long-term care providers working with geriatric patients.

EVIDENCE-BASED PRACTICES - CHILDREN: To advance best practice mental health treatment programs, thirteen (13) two-year grant awards totaling \$904,000 were awarded.

Judson Center: \$150,000 To develop a behavioral health model dedicated to provide evidence-based treatment and outreach.

Judson Center: \$150,000 To launch the region's first evidence-based independent livings skill program for teens with autism.

Pediatric Foundation of Michigan, Inc.: \$120,000 To train Primary Care physicians and their clinics, to implement evidence-based assessment and screening tools to more comprehensively assess and treat youth, 12-18 years old, for behavioral health and substance abuse support needs.

Regents of the University of Michigan: \$150,000 To develop a systematic model ensuring children receive best practice screening, assessment and evidence-based therapy for ADHD in the General Pediatrics clinics within the Michigan Medicine system.

Regents of the University of Michigan: \$150,000 To develop and implement a school-based behavioral healthcare model that could potentially be replicated statewide.

Regents of the University of Michigan: \$150,000 To integrate adolescent screening, brief intervention, and referral to treatment (SBIRT) for substance use at the University of Michigan C.S. Mott Children's Hospital.

Samaritas Foundation: \$112,000 To provide mental health screening, assessment, support, and therapy for children in homeless housing.

Spectrum Juvenile Justice Services: \$116,000 To implement and evaluate Trauma-Focused Cognitive-Behavioral Therapy to male justice system-involved teens.

Starfish Family Services, Inc.: \$132,000 To implement Trauma Focused-Cognitive Behavior Therapy (TF-CBT) for children and adolescents.

Starr Commonwealth: \$148,000 To provide conduct comprehensive trauma assessment individuals and group therapy for at-risk and traumatized preschool and school-aged children and adolescents.

The Board of Governors aka Wayne State University: \$130,000 To develop two stage program that will first use mass screening to identify youths at risk of developing psychosis and then implement a CBT program to preempt schizophrenia.

EVIDENCE-BASED PRACTICES – CHILDREN (Continued):

Trinity Health-Michigan: \$150,000 To implement an evidence-based integrative physical health and behavioral health care approach at a new university-based clinic in Ypsilanti serving Eastern Michigan University (EMU).

Wayne County Third Circuit Court: \$150,000 To expand the Supervising Treatment for Alcohol and Narcotics Dependency (S.T.A.N.D) program in Third Judicial Circuit of Michigan's Juvenile Drug Treatment Court to Non-Medicaid eligible youth.

GRANTMAKING OPPORTUNITIES: To improve capacity of mental health providers; increase awareness and education; support consumer and policy research advocacy; and advance early screening and assessment, fifteen (15) one-year grants totaling \$669,000 were awarded.

Association for Children's Mental Health: \$10,000 For general operating support. ACMH provides advocacy support for individual children and their families across Michigan by focusing on activities to enhance the system of services which address the needs of children with serious emotional disorders.

C-Assist: \$35,000 To increase access to affordable, reliable, and stigma-free physical and mental health care for at-risk and under-served individuals in Wayne County.

Common Ground: \$50,000 To support Resource and Crisis Helpline with 24/7 text and chat support for members experiencing crises, including mental health emergencies.

Community Foundation for Southeastern Michigan: \$75,000 To develop and implement a diversified system of care for opioid addiction treatment in Michigan.

Hegira Programs, Inc.: \$49,000 To implement the Zero Suicide Model into continuum of care.

Henry Ford Health System: \$43,000 To develop a comprehensive health care transition process for youth with Attention Deficit Hyperactivity Disorder transitioning from pediatric to adult care.

Mental Health Association in Michigan: \$40,000 For general operating support. MHAM is the state's oldest nonprofit organization concerned with mental illness and is the leading policy and research advocate. MHAM seeks regulatory action from the State government that it deems is in the best interest of adults and youth experiencing or at risk of mental illness.

GRANTMAKING OPPORTUNITIES (Continued):

Michigan's Children: \$50,000 For general operating support. Michigan's Children will bolster the public policy research advocacy capacity of mental health services providers, and youth and families.

NAMI Metro: \$10,000 For general operating support. NAMI Metro's constituent members cover the Foundation's geographic focus of Wayne, Oakland and Macomb County.

NAMI Michigan: \$30,000 For general operating support. NAMI Michigan and its statewide affiliates advocate at the state level for persons affected by mental illness and provide support within their communities.

NAMI Washtenaw County: \$10,000 For general operating support. NAMI Washtenaw County constituent members cover the Foundation's geographic focus of Washtenaw County.

Oakland Family Services: \$50,000 To develop evaluation process to improve the quality and outcomes of behavioral health services.

Regents of the University of Michigan: \$150,000 To collaborate with community resources, stakeholders and DPSCD personnel in developing a plan to provide TRAILS programming in all Detroit Public Schools district-wide.

Rose Hill Center: \$30,000 To implement Trauma-Informed Care (TIC) into treatment program.

Spectrum Child and Family Services: \$37,000 To implement a trauma-focused environment agency-wide.
