Advocacy and Grantmaking Opportunities

Association for Children's Mental Health (Lansing, MI) \$10,000

For general operating support. ACMH provides advocacy support for individual children and their families across Michigan by focusing on activities to enhance the system of services which address the needs of children with serious emotional disorders. ACMH is a statewide chapter of the national Federation of Families for Children's Mental Health.

Community Foundation for Southeastern Michigan (Detroit, MI) \$25,000

To support the Safety and Justice Collaborative aimed at supporting the investment of public dollars to community driven alternatives to incarceration.

Mental Health Association in Michigan (Lansing, MI) \$30,000

For general operating support. MHAM is the state's oldest nonprofit organization concerned with mental illness and is the leading policy and research advocate. MHAM seeks regulatory action from the State government that it deems is in the best interest of adults and youth experiencing or at risk of mental illness.

Michigan's Children (Lansing, MI) \$50,000

For general operating support. Michigan's Children will bolster the public policy research advocacy capacity of mental health services providers, and youth and families who receive mental health services. It will also lead efforts to seek regulatory action from the state government that it deems is in the best interest of children experiencing or at risk of mental illness.

Nami Detroit (Warren, MI) \$10,000

For general operating support. To build the capacity of NAMI Detroit and enhance community presence and access to mental health resources.

NAMI Metro (Northville, MI) \$10,000

For general operating support. Located in southeast Michigan, NAMI Metro's constituent members cover the Foundation's geographic focus of Wayne, Oakland, and Macomb County.
