ETHEL AND JAMES FLINN FOUNDATION
2023 GRANTS AWARDED
(By Program Area)

Vista Maria (Dearborn Heights, MI) \$50,000

To continue clinical training opportunities for direct care staff to improve treatment outcomes for children with complex histories of abuse, neglect, and sexual exploitation.

Advocacy Support

Association for Children's Mental Health (Lansing, MI) \$15,000

For general operating support. ACMH provides advocacy support for individual children and their families across Michigan by focusing on activities to enhance the system of services which address the needs of children with serious emotional disorders.

Autism Alliance of Michigan (Southfield, MI) \$25,000

For general operating support. AAoM is an advocacy organization focused on addressing treatment access and support for individuals and families living with Autism Spectrum Disorder.

Kevin's Song (Grosse Pointe Park, MI) \$15,000

For general operating support. Kevin's Song is an advocacy organization that brings families, providers, and policymakers together to learn and share evidence-based practices to prevent suicides.

Mental Health Association in Michigan (Lansing, MI) \$50,000

For general operating support. MHAM is the state's oldest nonprofit organization concerned with mental illness and is the leading policy and research advocate. MHAM seeks regulatory action from the State government that it deems is in the best interest of adults and youth experiencing or at risk of mental illness.

Michigan's Children (Lansing, MI) \$65,000

For general operating support. Michigan's Children will bolster the public policy research advocacy capacity of mental health services providers, and youth and families who receive mental health services. It will also lead efforts to seek regulatory action from the state government that it deems is in the best interest of children experiencing or at risk of mental illness.

NAMI Metro (Northville, MI) \$15,000

For general operating support. Located in southeast Michigan, NAMI Metro's constituent members cover the Foundation's geographic focus of Wayne, Oakland, and Macomb County.

NAMI Michigan (Lansing, MI) \$50,000

For general operating support. NAMI Michigan and its statewide affiliates advocate at the state level for persons affected by mental illness and serves as a leading proponent on consumer and family involvement in care, treatment, and recovery. NAMI Michigan helps to strengthen local affiliates to provide support within their communities.

ETHEL AND JAMES FLINN FOUNDATION
2023 GRANTS AWARDED
(By Program Area)

NAMI Washtenaw County (Ann Arbor, MI) \$15,000
For general operating support. Located in southeast Michigan, NAMI Washtenaw County constituent members cover the Foundation's geographic focus of Washtenaw County.

AWARENESS, EDUCATION AND OUTREACH PROGRAMS (MINI-GRANTS)

To expand on the existing youth effort of the Pontiac Resilience Project to empower youths to conduct peer-to-peer training sessions with Pontiac Middle School students.

Self-Care Sanctuary (Detroit, MI) \$5,000
To educate Wayne County residents about the importance of self-care and provide a space for people to participate in self-care activities.

The Family Center of Grosse Pointe & Harper Woods (Grosse Pointe Farms, MI) \$5,000
To host a community book club featuring a panel of local therapists and doctors discussing books on mental health.

Washtenaw Area Council for Children (Ypsilanti, MI) \$5,000
To pilot a peer-to-peer support group for up to 20 students in a local high school to build a support system and learn important skills for maintaining safety and wellness in today's cyber world.

ETHEL AND JAMES FLINN FOUNDATION
2023 GRANTS AWARDED
(By Program Area)

Collaborative Partnerships Initiative

Community Foundation for Southeast Michigan (Detroit, MI) \$150,000

To support the Michigan Justice Fund (MJF). The Foundation has supported the fund established in 2020 since inception to address issues of mass incarceration and their impact on Michigan. MJF's focuses on three goals: 1) To strengthen Michigan's funding, policies, and practices to support the economic mobility and success of people with criminal records; 2) To reduce reliance on confinement and adjudication and 3) To engage communities in shaping justice policies.

The Board of Governors (aka WSU) (Detroit, MI) \$90,000

To aid in the launch of Michigan's contributions to a multi-state co-op designed to share experiences, learn from one another, and amplify efforts to improve the response to people experiencing a mental health or substance use-related emergency through a systems approach to developing a continuum of crisis care.

The Board of Governors (aka WSU) (Detroit, MI) \$200,000

To continue implementing the Sequential Intercept Model in Wayne County facilitated by the Center for Behavioral Health and Justice aimed at diverting people with behavioral health conditions away from the criminal justice system into community treatment.
